Doctor of Philosophy in Human Resource Development

TITLE OF THE DEGREE

Full Title: Doctor of Philosophy (Human Resource Development)

Abbreviation: Ph.D. in HRD

Ph.D. IN HRD

(Revised curriculum academic year 2018)

Philosophy and the objectives of the program

This program is designed to produce **professional human resource developers, HRD academicians, HRD educators and HRD researchers** constructing a fresh new body of HRD knowledge. Since the graduates can creatively design and integrate knowledge from the fields of education, human resource development and organizational development together, it helps magnify and build the HRD academic effectiveness of the country. Also by increasing the number of well-trained knowledgeable Human Resource developers, academicians, educators and researchers, people in the community, society and our country can benefit from having worthwhile HRD research based guidelines and suggestions.
